Improvement of curriculum and evaluation is the primary goal.

**BSED 506 Administration and Supervision of Business and Vocational Education 3 Credits**
A study of the administrative and supervisory problems associated with business and vocational education at the local, county, state, and federal levels. Administrative and supervisory improvement strategies are explored. Major topics include: educational administrative structures; role of the supervisor of instruction; state and federal legislation; certification; personnel policies; ethical conduct; funding procedures; and public relations. Improvement of administration and supervision of business and vocational education is the primary goal.

**BSED 508 Organizing and Administering Cooperative Work Experience Programs 3 Credits**
An overview of the current administrative and instructional strategies used in organizing and administering cooperative work experience programs at the secondary and post-secondary levels. Up-to-date concepts are reviewed relative to program approval, teacher coordinator certification, work agreements, labor laws, funding, reporting supervision of student learners, related instruction, student wages, and vocational student organizations. Current instructional materials are reviewed and evaluated. Improvement in the organization and administration of cooperative work experience programs is the primary goal.

**BSED 509 Principles and Strategies of Vocational and Cooperative Education 3 Credits**
Designed as one of the specialized courses in the preparation of business and marketing education teachers and teacher-coordinators of cooperative work experience programs. The philosophy and history of education for and about work, including technology, are studied along with the principles and strategies for organizing and administering vocational cooperative education programs. Developmental/reflective evaluative techniques will be applied for the assessment of self, students, instruction and selected case studies. Current instructional concepts, organizational and administrative strategies, legislative enactments, and regulations pertaining to the employment of youth are included. Special attention is given to the role of vocational student organizations and advisory committees.

**BSED 519 Directed Study and Research in Business Education 1-3 Credits**
Provides the student with an opportunity to complete a project, resolve a problem, or pursue a major activity that will make a contribution to the teaching profession in business or marketing education. Each participant, under the supervision of a senior faculty member, follows a planned sequence of professional activity that culminates in a completed written project. Professional teacher development is the primary goal.

**BSED 530 Emerging Instructional Strategies in Business Education 3 Credits**
Emphasis is placed on the enhancement of teaching effectiveness in business education as emerging instructional strategies are reviewed and studied. Special attention is devoted to the new technology and its use in business education while focusing attention to the present and future needs of the employer. Current instructional materials are presented and utilized. Master practicing business education teachers will augment the instructor’s presentations.
