## Employment Opportunities

The University provides work opportunities both on and off campus.

Students who demonstrate financial need as determined by the FAFSA are offered Federal Work Study in their award. Students who have no need are paid through a student employment budget. It is the responsibility of students to find their own jobs. All students are encouraged to apply for available employment opportunities. Bi-weekly paychecks are provided directly to students rather than to student accounts.

Lawrenceville and the surrounding area provides many opportunities for part-time employment in local businesses.

Weekend church positions: Many Westminster Choir College students are employed in area churches on a part-time basis as organists, directors, and singers.
