

ENSEMBLES/PRODUCTIONS - ATTIRE AND REGISTRATION

Attire

Students must purchase official ensemble attire for choirs in which they are enrolled. Freshman/transfer students in Westminster Choir College must be fitted during orientation and purchase a red robe which will be charged to their student account by the Bursar's Office.

Registration

Students participating in music ensembles or artistic productions must be registered for the course that accompanies that activity. It is the responsibility of the student to ensure proper registration in the appropriate course. Excused absences are granted only to registered students.

Each semester, the official personnel roster for each ensemble will be finalized for that semester at the end of the schedule adjustment period, typically two weeks after the first day of classes.

Freshman class eligibility for non-required ensembles or productions is determined by the appropriate department/program/applied area, with the approval of the appropriate Academic Policy Committee.
