

# INTERNATIONAL STUDENT STATUS

---

Federal regulations require that all F-1 and J-1 undergraduate and graduate international students maintain full-time status. International students may engage in one online course per mandatory term (fall and spring term) as long as they are enrolled in a full course load. Students may request part-time status under specified, limited circumstances, including during their final semester. Prior approval of the Office for International Education (<https://www.rider.edu/academics/centers-institutes/office-of-international-education/>) is required.

All international students do not need to comply with the above restrictions for summer course work.
