SCHOOL OF FINE AND PERFORMING ARTS

All undergraduate and graduate students who are enrolled in a major or minor offered by the Westminster College of the Arts may enroll for a second or subsequent time in any non-repeatable WCA course from which they have withdrawn, in which they have earned an “F,” or in which they have failed to earn the required minimum grade* according to the following rules:

1) Students who have withdrawn from, failed, or failed to achieve the required minimum grade in a required course* in their first attempt at the course may enroll for a 2nd time without permission. All other students must have the permission of the Associate Dean.

2) Permission of the dean or associate dean of the college (FPA or WCC) offering the course in question is required in order to enroll in a course for the 3rd time.

3) Permission of the Academic Standing Committee of the college (FPA or WCC) offering the course in question is required in order to enroll in a course for the 4th time. Permission for a 4th enrollment will be granted only in rare, extenuating, and documented circumstances.

In all instances, the most recent grade is calculated into the grade point average, and all listings and grades will remain on the transcript.

* Examples include: a minimum grade of “B-” is required in Piano Secondary, a minimum grade of “C” is required in foreign language study in order to progress to the next level in that language.

A division of the Westminster College of the Arts, the School of Fine and Performing Arts is located on the Lawrenceville campus. The school offers Bachelor of Arts, Bachelor of Fine Arts and Bachelor of Music degrees, as well as widespread opportunities for students – regardless of major – to participate in the arts. Exhibitions, plays, concerts, and productions are presented in the 442-seat Yvonne Theater, the 90-seat Spitz Studio Theater, and the recently-expanded 374-seat Bart Luedeke Theater.

Several experiences, including Rider Band, Rider Choir, and many classes, are open to all university students. Dramatic plays and musical theatre productions are open to all students by audition. The Rider University Art Gallery showcases leading regional and national artists, as well as selected student work. Artist lectures and gallery performances bring additional opportunities for artistic enrichment. The Arts Administration Center provides a forum for students to work with campus and community organizations on a variety of issues and activities. Rider Dances involves student dancers, choreographers and musicians. Each year, many education majors elect Fine Arts as their second major, choosing from tracks in Art, Dance Studies, Music Studies or Theatre Studies.

Mission

Westminster College of the Arts

Westminster College of the Arts inspires and empowers innovative artists and leaders to transform communities through the arts.

The School of Fine and Performing Arts

The School of Fine and Performing Arts focuses on art, dance, music, musical theatre, theatre and arts administration. Through programs that provide a historical, aesthetic, practical and professional perspective, students develop the skills to excel in a professional career while growing intellectually from a broadly based liberal arts curriculum. The school fosters meaningful engagement in the arts to students who wish to become professional artists as well as students who view the arts as an integral part of overall intellectual growth. The school nurtures and challenges the artist within all students and prepares them to contribute to an ever-changing global society.

Health and Safety

Westminster Choir College/Westminster College of the Arts, as required by the National Association of Schools of Music, is obligated to inform students and faculty of health and safety issues, hazards, and procedures inherent in practice, performance, teaching, and listening both in general and as applicable to their specific specializations. This includes but is not limited to information regarding hearing, vocal and musculoskeletal health, injury prevention, and the use, proper handling, and operation of potentially dangerous materials, equipment, and technology.

It is important to note that health and safety depends largely on personal decisions made by informed individuals. Rider University has health and safety responsibilities, but fulfillment of these responsibilities cannot and will not ensure any individual’s health and safety. Too many factors beyond the university’s control are involved.

Each individual is personally responsible for avoiding risk and preventing injuries to themselves before, during, and after study or employment at Rider University. The policies, protocols, and operational procedures developed do not alter or cancel any individual’s personal responsibility, or in any way shift personal responsibility for the results of any individual’s personal decisions or actions in any instance or over time to the University.

All members of the WCA community are encouraged to visit the university web site for a series of recommendations and resources designed to help each individual to become aware of, attend to various issues. Admission as a Freshman

Students may apply for admission to undergraduate study for the fall or spring term. Applicants are encouraged to begin the application process late in the junior or early in the senior year of high school. Westminster College of the Arts uses a rolling admissions policy. Completed applications are reviewed on a regular basis and students are notified of decisions. Students initiate the application process by first completing the Rider University application. All items must be in the Admissions Office before a decision can be reached. The following are necessary for admission:

Applications

Students may request application forms by contacting the Admissions Office, or through the Rider University Web site.

Audition/Interview

Certain majors and minors require either an audition or an interview. Please see individual program requirements below. Audition requirements may be found on our Web site.

Credentials

Applicants for admission to the School of Fine and Performing Arts should be graduates or prospective graduates of accredited secondary schools where they have pursued college preparatory courses. Four secondary school credits must be presented in English as well as other credits in disciplines such as natural sciences, history and social studies, mathematics, and foreign languages. It is each student's responsibility to have an official and final high school transcript sent to the Admissions Office in order to document high school diploma conferral. Applicants who hold high school equivalency diplomas and high school graduates who have pursued business courses will be considered. Two letters of recommendation and an essay are required. Transfer applicants must submit both an official high school transcript and an official transcript from any and all colleges or universities attended.

Standardized Test Scores

Students must submit scores from either the Scholastic Aptitude Test (SAT) of the College Board or from the American College Testing Program (ACT). These scores, together with high school transcripts, are used as important indicators of academic success at the college level. Students may inquire about registration procedures for the SAT by contacting the College Entrance Examination Board, Box 592, Princeton, N.J. 08540 (609-921-9000) or for the ACT by contacting the American College Testing Program, P.O. Box 414, Iowa City, IA 52243 (319-337-1270) or simply by seeing their high school guidance counselors.

Placement Testing

All entering freshmen take a series of placement examinations, in accordance with university policies listed elsewhere in this catalog. Students exempted from any graduation requirement as a result of those examinations must replace those credits with free electives, as appropriate, in order to meet the minimum number of credits required for graduation.

Music Theory Placement

All students in the Bachelor of Arts in Music Studies and PMUS or Bachelor of Music in Music Theater-Piano Track degree programs must take the music theory placement examination. Students placed into MUS 109S Basic Music Theory will be graded on a pass (“Y”) or fail (“Z”) basis. A passing grade must be earned before the student will be permitted to enroll in MUS 110 Music Theory I. MUS 109S does not count toward graduation credits for students in these majors.

All Popular Music Culture majors must take a placement examination in Music Theory. As a result of this examination, students are placed into MUS 109S or MUS 110/MUS 110L. MUS 109S does not count toward graduation credit for Popular Music Culture majors.

Credit-by-Exam

Musical Theatre majors will be required to take exams in music theory, sight singing and piano during their freshmen orientation. Successful completion of the exam will result in credit-by-exam, granting the student credit for the course in lieu of taking the course.

Minimum Grades Needed

For all majors offered in the Theatre & Dance Department students must earn a minimum grade of “C” in those courses required in the major area in order to make satisfactory progress. If a grade of “C-” or lower is earned, the student must repeat the course.

B.F.A.–Musical Theatre majors must earn a minimum grade of “B-” each semester in the primary applied music field in order to make satisfactory progress. If a grade of “C+” or lower is earned, the student must repeat the course.

At the graduate level, the grade of ”D” is not awarded. The lowest passing grade in a graduate course is a “C-.”

Course Repeat Policy

All undergraduate and graduate students who are enrolled in a major or minor offered by the Westminster College of the Arts may enroll for a second or subsequent time in any non-repeatable WCA course from which they have withdrawn, in which they have earned an “F,” or in which they have failed to earn the required minimum grade* according to the following rules:

1) Students who have withdrawn from, failed, or failed to achieve the required minimum grade in a required course* in their first attempt at the course may enroll for a 2nd time without permission. All other students must have the permission of the Associate Dean.

2) Permission of the dean or associate dean of the college (FPA or WCC) offering the course in question is required in order to enroll in a course for the 4th time.

3) Permission of the Academic Standing Committee of the college (FPA or WCC) offering the course in question is required in order to enroll in a course for the 4th time. Permission for a 4th enrollment will be granted only in rare, extenuating, and documented circumstances.

In all instances, the most recent grade is calculated into the grade point average, and all listings and grades will remain on the transcript.

* Examples include: a minimum grade of “B-” is required in Piano Secondary, a minimum grade of “C” is required in foreign language study in order to progress to the next level in that language.

Academic Dismissal/Conditional Academic Standing

In the Westminster College of the Arts, decisions regarding academic conditional standing and dismissal for poor scholarship are the responsibility of the School of Fine and Performing Arts Academic Standing Committee, the Westminster Choir College Academic Standing Committee, and the Westminster Choir College Academic Standing Committee.
Committee, and the Westminster Choir College Graduate Committee. These committees review the academic progress of students, and may recommend a letter of concern, placement on Conditional Academic Standing, or dismissal. The following section is reprinted from The Source, after which additional college-specific information appears.

Because a 2.0 cumulative average is required for graduation a student is expected to maintain a 2.0 cumulative grade point average while enrolled at Rider. Students who fail to maintain at least a 2.0 cumulative average will be reviewed by an academic standing committee and may be dismissed or placed on conditional standing.

Students who have not done satisfactory work may be dismissed from the University for poor scholarship at the end of any semester, after an appropriate review of their scholastic records by the academic standing committee of their college. An academic standing committee may require any student who does unsatisfactory work to pursue a specific course of study during a particular academic session. There must be substantial evidence of proper motivation and a capacity for doing college level work to warrant maintaining a student in school with a record of continued conditional status.

Any student who fails to pursue a course of study prescribed by an academic standing committee, or who does unsatisfactory work in the prescribed course of study, may be dismissed without right of further appeal.

Students may also be subject to academic dismissals if their cumulative grade point averages fall below the required minimum for two or more consecutive semesters, or the grade points fall below the required averages established at the freshman, sophomore, junior and senior levels. Academic dismissal at the end of the fall semester is effective prior to the beginning of the spring semester.

The School of Fine and Performing Arts Academic Standing Committee has the sole authority to dismiss students for academic reasons. Students may be placed on conditional academic standing or dismissed from the Westminster College of the Arts upon failure to meet academic standards. In the School of Fine and Performing Arts, the Academic Standing Committee will review the academic record of undergraduate students who fail to maintain a 2.0 cumulative grade point average or a 2.5 cumulative grade point average in courses required for the major.

Students must earn a minimum cumulative grade point average of 2.0 and a minimum of 2.5 in the major. Students dropped from a major because of failure to maintain the minimum grade point average may apply for readmission. Readmission will depend on various criteria, including the GPA, current academic progress, and the student’s general standing.

A dismissed student may appeal in writing to the appropriate committee for immediate rescission of a dismissal decision. Evidence should be submitted to suggest that it is in the interests of both the student and the college for the dismissal to be rescinded. However, any student who fails to pursue a course of study prescribed by an academic standing committee, or who does unsatisfactory work in the prescribed course of study, may be dismissed without right of further appeal.

Students dismissed by the university may not enroll for courses nor participate in university-sponsored activities or ensembles at either campus of Rider University for a period of one year following their dismissal. Students dismissed by the School of Fine and Performing Arts but not Rider University may apply for enrollment in other colleges of the university. Students dismissed by the School of Fine and Performing Arts but not Rider University may not enroll in SFPA courses, ensembles, or activities until they have been readmitted to SFPA. Before permission to enroll in the School of Fine and Performing Arts or Rider University, as appropriate, will be granted, students must follow the process for readmission, as described in The Source.

**Dismissal from a Major**
Following notification that their standing in the major is in jeopardy and the passage of a suitable amount of time permitted to address stated issues, typically one semester, academic departments reserve the right to dismiss a student from a major. Such dismissal may be based upon any of the following conditions: failure to maintain a satisfactory or minimum GPA; failure to maintain academic progress in the courses of the major; conduct in violation of the standards of the department or profession; failure to meet conditions or requirements as stated in University catalogs, The Source, or the departmental handbook; or the student’s general standing at Rider University. Such dismissal will become effective at the end of the semester in which the decision is reached.

**Readmission**
If more than one year has elapsed since the date of last enrollment, students may be required to reapply and/or re-audition or re-interview for the program. Students must meet all requirements of the application process in order to be readmitted.

**General Requirements**
In addition to the information given here and on the following pages, students are referred to individual department handbooks for additional information and requirements.

Students in any School of Fine and Performing Arts degree must earn a minimum of 120 credits.
