OR 490 Independent Research and Study 1-4 Credits

Students may pursue a special topic for which they have prepared through prior course work. Only one project may be scheduled in a semester. The project may involve 1-4 credit hours. Students may count up to a maximum of 18 independent study hours toward graduation. Approval of the faculty sponsor, department chair, and dean required prior to the first day of the semester in which the project is to be completed. Minimum cumulative GPA of 3.0 required.

Prerequisite(s): junior or senior standing.
